All designs and logos featured in The Logo Factory Morgue File section are copyright 2000 - 2007 The Logo Factory Inc. Downloading any of the image(s) presented does not constitute copyright transfer or the transfer of any intellectual property rights. All the logos, artwork and designs are available 'free of charge' and as such are presented 'as is'. We do not offer any warranty of the artwork contained in our Morgue Files, nor is any implied. We are not responsible for any damages, direct or indirect, as a result of your use of this artwork. Reproduction of this artwork, subject to our acceptable uses disclaimer, is at your own risk.

Acceptable Uses - You may use these images, logos, artwork and designs in any electronic or print media, including advertising and editorial use, as long as such use is not intended to allow the resale, re-distribution or re-use of the images(s).

Prohibited Uses - Not for resale or addition to stock artwork collections. The Logo Factory retains the full rights to the image(s), and therefore you cannot establish your own rights. You may not sublicense, distribute, transfer or assign the image(s) or rights to the images(s) to any third parties. You may not use this image, or any part of the images(s), as part of a trademark or service mark. For information on using the image(s) as part of a service mark or trademark, please contact The Logo Factory directly. This is generally not possible due to multiple downloads and the terms of use. You may not use or archive the images(s) in any downloadable format intended for multiple distribution including, without limitation, logo templates, web site templates, software design products, etc. Visit us on the web: [www.thelogo.com](http://www.thelogo.com).
